## EDUCATION

### Milwaukee Institute of Art and Design, Milwaukee, WI

#### *BFA Illustration*

August 2018 - May 2022

Graduated with a BFA in Illustration and a Minor in Digital Media Production with a specialty in Children's Book Illustration. GPA was 3.8.

## EXPERIENCE

### Minuteman Press, Madison, WI — *Graphic Designer*

July 2022 - Present

- Designed promotional material for businesses such as business cards, brochures, flyers, and yard signs.
- Communicated openly with my clients about what they wanted to be designed and printed. Talked with the client about their deadline and budget.
- Worked on a team with other graphic designers where we would delegate client work as well as solve certain issues together.

### Gus's Magic Blood Sugar, Remote— *Illustrator and Author*

November 2021- April 2022

- Wrote, illustrated, and designed a children's book about Type One Diabetes
- Worked on a tight schedule with very strict deadlines.
- Printed and sold the book to the general public and educated them about Type One Diabetes.

### Freelance Illustration

December 2017- Present

- Album Cover, Christmas Cards
- Effectively completed the illustrations for the album cover and the annual christmas cards I create through open and constant communication.
- Turn in commissions on time, through good time management skills and constant work.

### Visualize Words, Remote — *Illustration Intern*

January - May 2021

- Created simple, effective, inspirational designs based off of famous quotes from historical figures.
- Illustrated work that was social media friendly, and my illustrations have been seen by thousands of followers.

## SKILLS

Proficient in Adobe Illustrator, InDesign and Photoshop. 7 years of experience in each program.
