EDUCATION

Milwaukee Institute of Art and Design, Milwaukee, WI

BFA Illustration

August 2018 - May 2022

Recently graduated with a BFA in Illustration and a Minor in Digital Media Production with a specialty in Children's Book Illustration. GPA is 3.8.

EXPERIENCE

Gus's Magic Blood Sugar, Remote— *Illustrator and Author*

November 2021- April 2022

- Wrote, illustrated, and designed a children's book about Type One Diabetes
- Worked on a tight schedule with very strict deadlines.
- Printed and sold the book to the general public and educated them about Type One.

Freelance Illustration

December 2017- Present

- Album Cover, Christmas Cards
- Effectively completed the illustrations for the album cover and the annual christmas cards I create through open and constant communication.
- Turn in commissions on time, through good time management skills and constant work.

Independence Grove Forest Preserve, Libertyville, IL— *Attendant*

May - August 2021

- Efficiently assisted guests by greeting them to the preserve, collecting payments for boat rentals, and answering customer inquiries.
- Sanitized the equipment making them safe for the guests and other employees to use.

Visualize Words, Remote — *Illustration Intern*

January - May 2021

- Created simple, effective, inspirational designs based off of quotes from historic people.
- Illustrated work that was social media friendly, which is where my illustrations have been seen by thousands of followers.

SKILLS

Proficient in Adobe Illustrator and Photoshop.

Proficient in traditional media such as watercolor, acrylic paint, and alcohol markers.
